

SENATOR SUSAN COLLINS

SECRETARY OF THE SENATE

October 22, 2007

Mr. Travis F. Brown
Senior Campaign Finance Analyst – Reports Analysis
Federal Election Commission

Dear Mr. Brown,

Thank you for your letter dated October 11. You were correct in that our election cycle-to-date figures were incorrectly aggregating, due to a prior period date issue with our software. I have included a new July quarterly report of receipts and disbursements to reflect the corrections. Since the prior period date issue will also impact our October filing, I have also included an amendment to the October report. This issue did not impact any of our figures materially, and our current cash-on-hand and each period's receipts and disbursements remain unchanged.

I have also included a FEC Form 3Z-1 as it was omitted with our July report. Please do not hesitate to contact me with any questions or concerns at 207.221.9330.

Sincerely,

Amy A. Abbott
Deputy Treasurer
Collins for Senator
